

Team Name: _____

Not What It Seems...

This round is a selection of questions which *logic* says should be obvious, but are not the obvious answer...

1. How long was the Hundred Years war?

2. From what animal is catgut usually made?

3. The lead in a pencil is made of what?

4. A horned toad is not a toad at all – what type of creature is it?

5. What type of tree is a Douglas Fir?

6. In which country was India Ink invented?

7. What is a titmouse?

8. From which country do Panama hats originate?

9. In which country was the game of Chinese Checkers invented?

10. A koala bear is not a bear – what type of animal is it?
