

Music

This week's music round is based on song lyrics. One point for the naming **the song** that each of the lyrics are from. Let's start with an easy one...

1. Put a gun against his head, pulled my trigger now he's dead.

2. Let me tell you it's always cool, and the boss don't mind sometimes if you act the fool.

3. Last thing I remember I was running for the door

4. Union's been on strike, he's down on his luck

5. I dialled about a hundred numbers baby, I'm bound to find somebody home.

6. Why must we separate my love, all of my whole life through

7. I hate to look into those eyes and see an ounce of pain

8. Help me escape this feelin' of insecurity

9. I must be strong and carry on, 'cause I know I don't belong...

10. All the flowers that you planted, Mama, in the back yard
